## Property Beautification Breakfast

Come make a difference! Join the UUCG Green Team on Saturday, January 7, for a 'Brainstorming Beautification' Breakfast. We will gather to discuss projects and plans for 2023 as well as taking another look at our purpose while we nosh and nibble.

Bring your concerns and your appetites for our January Planning Breakfast, 9:30-11:30 AM,  
1/7/2023

## Inspiration

Place your pointer finger from your non-dominant hand on the entrance of the labyrinth. If you find this too awkward at first, use your dominant hand. Slowly trace the pattern of the labyrinth with your finger allowing your mind to clear from extra thought and focus solely on following the path of the labyrinth.

## UU Principles

Unitarian Universalist congregations affirm and promote seven Principles, which we hold as strong values and moral guides.

1st Principle: The inherent worth and dignity of every person;

2nd Principle: Justice, equity and compassion in human relations;

3rd Principle: Acceptance of one another and encouragement to spiritual growth in our congregations;

4th Principle: A free and responsible search for truth and meaning;

5th Principle: The right of conscience and the use of the democratic process within our congregations and in society at large;

6th Principle: The goal of world community with peace, liberty, and justice for all;

7th Principle: Respect for the interdependent web of all existence of which we are a part.

## UU Sources

We live out our Principles within a "living tradition" of wisdom and spirituality, drawn from sources as diverse as science, poetry, scripture, and personal experience. These are the six sources our congregations affirm and promote:

Direct experience of that transcending mystery and wonder, affirmed in all cultures, which moves us to a renewal of the spirit and an openness to the forces which create and uphold life;

Words and deeds of prophetic people which challenge us to confront powers and structures of evil with justice, compassion, and the transforming power of love;

Wisdom from the world's religions which inspires us in our ethical and spiritual life;

Jewish and Christian teachings which call us to respond to God's love by loving our neighbors as ourselves;

Humanist teachings which counsel us to heed the guidance of reason and the results of science, and warn us against idolatries of the mind and spirit;

Spiritual teachings of Earth-centered traditions which celebrate the sacred circle of life and instruct us to live in harmony with the rhythms of nature.
